Applications for Graduation must be approved by the Business Department Chair prior to submitting to the Office of the Registrar. Approved Applications for Graduation must be submitted to the Office of the Registrar by the graduation application deadline. 		

I authorize Thomas More University to register me for all courses in the TAP Program. This does not apply to core requirements. Students will register for core requirements individually as needed. I understand it is my responsibility to complete all courses to meet the degree requirements. In addition, I certify I am responsible for any changes to my schedule and I have read and understood all financial and academic policies outlined in Thomas More University's Catalog. Additionally, I acknowledge that I am enrolled in a book rental program and books must be returned by their deadlines to avoid further charges. This information can be found in MyTMU > MyCourses > My Course Materials.
